

SIR,

The attention which you have not failed to pay to the proceedings in England relative to Canada, as well as to the various circumstances which have been rendered public by means of the Press, will have already convinced you of the imperious necessity there is that the People of the country and their Representatives should, as soon as possible, form a just idea of the tendency of public events, and to reflect seriously on the future proceedings which they indicate.

If you, as we, are persuaded that our proceedings should be unalterably based on those adopted by the House of Assembly in its last Session, you have read with much interest the account partly given in the newspapers of a conference which took place on the 5th of June last, between J. A. ROEBUCK, Esq., Agent of the Province, and the Colonial Secretary, Lord GLENELG. We have to add that several other communications, since received from Mr. ROEBUCK, appear to us to be of the same importance, and to merit equal attention.

We have believed, in consequence, that a Meeting at Three-Rivers, of the Liberal Members of both Houses of the Legislature, before the convocation of Parliament, for the purpose of deliberating in Committee of Correspondence on those important subjects, could not fail to have an advantageous result. We, therefore, hope that you will be pleased to attend the Meeting which is to take place at 10 o'clock, A. M. in that Town, in the residence of R. J. KIMBER, Esq. M. P. P. on Tuesday the EIGHTH Day of SEPTEMBER next.

We have the honor to be,

Sir,
